

# ELIZAVETA KOCHAN

## 3D GENERALIST

Farragut, TN, 37934 (423) 353-8265 lizakoxart@gmail.com

### PROFILE

**Portfolio:** [openmyeyes.info](http://openmyeyes.info)

I am a passionate, team oriented artist with a wide range of 3D and 2D skills and a rigorous work ethic. I strive for quality, heart, and excellence in all of my work, and constantly search for new opportunities to learn.

### EXPERIENCES

**Caterpillar Inc. - 3D Generalist**  
**Sep 2020 - Sep 2021**

At Caterpillar, I worked as part of a small team to produce custom marketing material for the company. Projects included polishing computer generated machine models for turnarounds, making custom textures, creating animations, and working on environment renders. I communicated with customers, engineers, and other artists daily to ensure that the quality of my 3D works met the CAT standard.

**National Student Advertising Competition**  
**3rd Place in District 7**

In 2019, I took part in our school's NSAC art team, which handled the visuals in creating an advertising campaign for Wienerschnitzel. I wore many hats and did 3D modeling, animation, motion graphics, texture work, vector graphics and Photoshop compositions. According to the judges, these visuals alone were strong enough to place third in the district.

**Laundry Day - Animated Short Film**  
**Featured in the 2020 Overmountain Animation Festival**

I wrote the story, designed, modeled and rigged the main characters, animated everything, created the environment, rendered, composited and added sound to the final pass.

### EDUCATION

East Tennessee State University  
*B. S. Digital Media 2020, Summa Cum Laude*

**Awards and Honors:** University Honors Scholars, Digital Media Outstanding Student Faculty Award 2020.
